

## ELIGIBLE POWER GENERATORS AND LICENSED TRADERS FOR PROCUREMENT OF POWER

INVITING  
SERVICES  
&  
SUPPLIES  
PARTNERS

Bharat Aluminium Company (BALCO) is a subsidiary of Vedanta Aluminium Metal Limited, one of the world's leading producers of aluminium, 'the Metal of the Future' powering advanced manufacturing, energy transition, and next generation technologies.

BALCO invites Expressions of Interest (EOI) from eligible power generators and licensed power traders for the supply of power to meet its continuous smelter load requirement. This requirement aims to ensure a reliable, firm, and uninterrupted power supply for BALCO's aluminium smelting operations in Korba, Chhattisgarh.

### REQUIREMENT DETAILS

- **Quantum:** Up to 200 MW
- **Supply Period:** October 01, 2026 to September 30, 2028
- **Supply Type:** Firm Round-the-Clock (RTC) supply (24x7) or Firm Peak Supply (18:00 to 24:00) & (00:00 to 06:00) 12 hours daily, to be clearly specified by the bidder
- **Minimum Offer Size:** 50 MW (indicative; bidders may quote higher quantum)

### DELIVERY & SCHEDULING

- **Drawal Entity:** BALCO - Bulk Consumer
- **Connectivity:** CTU Connectivity (Western Region) with GNARE
- **Delivery Point:** Regional periphery
- **Scheduling & Dispatch:** As per applicable CERC/SLDC/RLDC regulations

### SCOPE

#### Interested parties are requested to:

- Offer firm supply under either or both supply options (RTC/Peak)
- Provide a single-part tariff (Rs/kWh) for RTC and Peak supply, either on a monthly or full-contract period basis, separately
- Confirm the source of power and availability for the contract period
- Bidders to evaluate supply of power through SHAKTI coal

### DISCLAIMER

Bharat Aluminium Company Limited (BALCO) reserves the right to accept or reject any offer, in full or in part, without assigning any reason whatsoever, and may engage in bilateral negotiations with shortlisted parties. Further, BALCO reserves the absolute right to withdraw, cancel, or modify this EOI/tender process at any stage without prior notice or liability whatsoever. All information shared shall be treated as confidential.

### COMMERCIAL TERMS

- Supply shall be firm as per the committed schedule (RTC or Peak, as applicable)
- Any shortfall in supply shall attract applicable damages and/or replacement obligations, as mutually agreed upon at the time of final contracting
- **Transaction Structure:** Power procurement may be undertaken through bilateral arrangements and/or power exchanges (IEX/PXIL/HPX). Bidders may indicate their preferred mode (bilateral, exchange-based, or both)

### SUBMISSION REQUIREMENTS

- Company profile and credentials
- Source of power and technical details
- Quantum offered under RTC and/or Peak option
- Tariff and commercial terms (clearly separated for each option)
- Contact details

### SUBMISSION TIMELINE

Expression of Interest to be submitted by

**June 15, 2026** to E-mail:
